- **Videotaping is prohibited.**
- Please note only instructors and chaperones will be allowed in the guard area. If you have guard members going home with parents, please arrange in advance with the parents to meet them in the cafeteria.

Parking and Sign in Procedure

- Please see attached map: **Guards and props will be dropped off in the circle. Staff will park in the lot by guard/prop drop offs. Equipment trucks & buses will park in the north lot** after the guards and props have been dropped off. **Please advise your bus drivers that at the end of the show, they must return to the same doors that they dropped the guards off at.**
- The **spectators will park in the stadium/athletic lot.**
- Staff/Chaperones will be given wristbands at the guard entrance, floor crew will be given wristbands at the prop entrance. We will allow a total of 15 staff, chaperones and floor crew combined per unit in for free, anyone beyond that number will have to pay or their organization will have to pay for them.
- **Anyone entering at the main spectator entrance will be asked to pay and receive a spectator wristband.** Please make sure your staff and floor crew enter through the Guard/Prop entrances so they can receive the appropriate color wristband to allow them access to the areas they need to be.
- Each participating guard will be assigned a homeroom. In previous years we have had an issue with rooms being left a mess with food, hair supplies, glitter...we are requesting no eating in the rooms and that rooms be cleaned up before the guard checks out. An adult guard representative must sign a form as the guard arrives stating the room will be returned to the condition in which it was found and pay for repair or replacement for broken or missing items.
A GUARD REPRESENTATIVE MUST ARRIVE WITH THE MEMBERS AND SIGN THE FORM.
ROOMS WILL NOT BE ASSIGNED UNTIL THIS HAS BEEN DONE

Warmups/Floors/Equipment

- We will be using the auditorium lobby for body warmups. The auditorium will be used for equipment warmups.
- All equipment/props MUST be properly padded with special attention to all sabers.
- Prop Staging - Guards needing more than 3 cart lengths for props and floor must notify us one week prior to the day of the show so we can plan appropriate staging space.
- The guards, floors and props will **enter the main gym from the performer's left side of the gym. THE FLOORS MUST BE FOLDED TO OPEN FROM THE PERFORMER'S LEFT TO THE RIGHT.** There will be no place for the floors to be refolded if they are folded incorrectly.
- The guards, floors and props will **exit the gym to the performer's right and out the back gym door. FLOORS MUST BE SNAKED OUT.** Once you have exited the gym you will continue around to the left. The floors & props will be loaded back on equipment trucks through the same door they entered. There will be a designated area in the hallway for you to fold your floor. If you do not have enough people to accomplish, please let the host people know at equipment check in and we will work to find you assistance.

Safety and Security

- **Our policy, for the safety of the performers, is that no one will be allowed back to the guard rooms without the proper wristband or staff credentials displayed.**
